Fort Worth, Texas 76115

Dear Mr. Monnig:

Enclosed are a few transparencies of a meteorite belonging to Mrs. J. E. Hawkins, 808 Speight Street, Waco. It belonged to her late husband who collected it, we think, near Quitaque, Texas a number of years ago. Mrs. Hawkins will be glad to let you examine the meteorite.

In the transparencies the tape is graduated in inches.

Yours truly,

don stop

R. L. Bronaugh
