Dear Mr Moring

Received yours of the 16th
was sorry to hear you
didn't receive the small
piece of meteorite I sent
you some years ago.

But will be here for
the duration and I don't
know how much longer
but when I go home on
a visit or otherwise I
will send you some
more of the meteorite and
am sorry you didn't get
the other piece. Have been
here working for the Govt
for the last four or five
months. Best Regards
W. D. King
