Dear Mr. Monnig: -

wrote for the

I received your  
letter of Sept. 27<sup>th</sup>. I remem-  
ber distinctly hearing my  
husband speak of the melonite  
you mention & I think we  
have a piece of it. I lived  
in Lampasas several years  
after my marriage, but

I can not give you any in-  
formation in regard to  
where the stone was found.  
I have been away from  
that town since 1902,  
and my husband would  
be ninety-two years old were  
he living, so you can real-  
ize that most of his con-  
temporaries have probably  
"passed on". I would suggest  
that you write Mr. Garrett  
Deerbower who was a young  
lawyer in Lampasas when  
we left the town.

I should think the editor  
of the paper (I don't know

his name) or the post-master  
might be able to help you.  
I am sorry I can not  
help you. -

Yours sincerely  
(Mrs.) Josephine Ramsdell
