Mrs. Carl G. Hinrichs,
3101 Hawthorne Blvd.,
St. Louis, Mo.

Dear Mrs. Hinrichs:

Not having heard from you further about the meteorite collection, I assume you have not located the rest of them, and perhaps are not interested in selling what you have found.

I will make my annual trip to New York soon, leaving here January 11. I will be in St. Louis an hour or so between trains Saturday morning, January 12, and for several hours on my return Sunday afternoon January 20.

If we could get together on a price for what you have, I could pick up at least the smaller pieces and bring them back with me.

I have no wish to pester you as you have been most kind and gracious, but if you want me to submit a bid and would consider it seriously, I will do so.

Yours sincerely,
