

1957, Jan. 23.

Dr. E. P. Henderson,
U. S. National Museum,
Washington, D. C.

Dear Dr. Henderson:

After mailing you a letter today on a meteorite from Kaufman, Texas, I find I did have in an old file a translation of the article therein referred to in Comptes Rendus, Vol. 118, p 1418, 1894.

I am enclosing my copy of the translation of this article. Please be sure to return this to me eventually.

Yours sincerely,
