Dear Oscar:

I am in the process of getting all the literature on the Kaufman meteorite together. In doing this I remembered you had sent a translation of an article written on this meteorite in 1894. I know copies were made but as of this date they cannot be located.

Would it be possible for you to again send me your copy of the article on the Kaufman meteorite which appeared in Comptes Rendus, Vol. 118, p. 1418?

With kindest regards, I remain

Cordially yours,

*E.P.H.*
