Dear Mr. Monnig;

I have your letter of the 5th and I am glad to hear you are coming up this way. I will enjoy a visit with you. I have a number of meteorites you have never seen. I am inclosing a card of the Royal Motel which is the best in Trinidad. I could make the reservation for you if I knew the day you would be here. You can write or phone the motel direct if you want to. You will not have to send any money as I know the owner and have told him that you will be here. Sorry you did not get the old meteorite. On my way back from New York last year I got a good lead on one in Kansas but it turned out to be a dud. Will be looking for you.

Best regards,

A. R. Allen
