

1967, Sept. 19

Dr. Edward Anders,
The University of Chicago,
5630 Ellis Ave.,
Chicago, Ill. 60637

Dear Sir:

The enclosed Xerox copies of some old notes from my original files include most of what I know about the Kirbyville meteorite and if you can read them may have some items of interest to you.

I enclose also a photograph. None of this material need be returned. Forgive the poor quality.

Yours sincerely,
