DECK THE HALLS! CHRISTMAS PARTY TOMORROW EVE

Many faculty ladies have been busy these recent weeks and particularly the last few days preparing candles, greenery and decorations for the old-fashioned Christmas dinner tomorrow (Thurs.) evening. The annual Yuletide faculty party will be held in the ballroom of the Student Center, beginning at 6:30 p.m. About 500 persons are expected to attend.

There has been considerable talk of "unusual entertainment" to be presented at the dinner. Program coordinator Sue Smith will say only that "Faculty members will have the opportunity of seeing their colleagues in new roles." It should be "interesting" to say the least. Chancellor Moudy will preside.

Those responsible for the planning include Mrs. William Tucker, chairman; and Mes. Cecil Jarman, John Albright, Dorothy Bell, Bob Carrell, Carlton Deaton, LeRoy Erwin, Charles Foote, L. W. Jackson, L. T. Keefer, C. W. LaGrone, Wilson Lott, Lucy Mann, Richard Miller, Clifford Murphy, Keith Odom, Ben Procter, J. R. Reed, Egidio Romanenghi, E. Leigh Secrest, Durwood Smith, Wyatt Stephens, Fred Taylor, W. J. Wagner, Allie White, Michael Winesanker and Bill Watson, Jr. Also Misses Ina Mae Bramblett, Frances Coldwell, Johnoween Gill.

Reservations for the "come formal if you can" affair were due Monday the 11th. Hope you made yours.

SYMPHONY TO GIVE CONCERT DEC. 17

In its second appearance of the current academic year, the TCU Symphony Orchestra will be presented in concert on December 17 in Ed Landreth Auditorium under the baton of Conductor Fritz Berens. Kenneth Schanewerk, assistant professor of violin and theory, will be featured as violin soloist at the event, set to begin at 3 p.m.

SYMPHONY, Contd.

The Symphony will perform Beethoven's "Three German Dances," orchestrated by Berens. The conductor has been a member of the TCU faculty since 1966 and is widely recognized in this country and abroad as a musical director, conductor and composer. The soloist will be featured in Sibelius' "Violin Concerto in D. Minor, Op. 47." Also on the concert program will be Schubert's "Symphony No. 7 in C. Major."

the Chancellor's office. Participating were John S. Morrison of Atlanta, Ga., distribution manager for American Oil and District Manager Kermit Fry of Dallas.

L. W. Moore of Chicago, the foundation's president, described the grant as having no restrictions "as long as it is used currently to improve education and not for endowment purposes." The gift is one of more than 116 unrestricted awards being made in 1967 directly to outstanding private universities and colleges by three foundations--Standard Oil, Pan American Petroleum and American Oil. The three organizations contributed more than \$1.9 million in support of education in 1967 and over \$12 million since 1952.

TCU GIVES TAPES TO HEMISFAIR EXHIBIT

Students from TCU's departments of speech, theatre and radio-TV have made several tape recordings which will be used in a unique manner during the HemisFair which opens in San Antonio, April 6, 1968. The recordings are being built into walls and panels to take the place of the usual labels and explanatory reading material at the space exhibit in the fair's Convention Center. The tapes, which represent about 60 hours of rehearsal and recording time by the TCU students, were made under a special arrangement with Speech Chairman George Tade. The effort represented the first contribution by a major university to the theme exhibit.

HEMISFAIR EXHIBIT, Contd.

The theme exhibit is a joint effort of HemisFair, the Smithsonian Institution, NASA, the Department of Defense, the Federal Aviation Agency, the Environmental Sciences Services Administration and Comsat, Inc. At the space exhibit visitors will take a simulated trip to outer space. The visitor will enter a capsule, where dramatic lighting and photography will transport him into orbit around the earth, using actual film shot by astronauts.

PANEL WILL DISCUSS JUVENILE DETENTION

Problems and procedures involved in Tarrant County's detention of juvenile delinquents will be the topic discussed by a panel presented by the Forums Committee at 8 tonight (Dec. 13) in the ballroom of the Student Center. Open to the public, the presentation will follow the locally produced film documentary, "A Home for Lonnie." Moderator will be Charles Eastham, TCU junior from Borger.

Panelists will include County Judge Scott Moore; Lynn Ross, county juvenile probation officer; Larry Meeker, chairman of Tarrant County's committee for detention study; and Mrs. Edward Kimble, a member of that committee.

The plight of juvenile delinquents in the county has become a matter of intense concern to many persons within the last few months, Eastham said, and this program will provide an opportunity for students, faculty and community members to learn of present policies and suggestions for improvements.

ALLSTATE FOUNDATION PRESENTS AWARDS✓

Under a program begun in 1960 by Allstate Insurance Co., two Harris College of Nursing students received scholarships for 1967-68 in presentation ceremonies Friday in the office of Dean Virginia Jarratt. Jack Wisener of Dallas, public affairs manager for Allstate, made the presentations to Janice Baughman and Judith Fisher of Everman.

A junior from Fort Worth, Miss Baughman was awarded her third scholarship by the Foundation. It was a first-time honor for Miss Fisher, a freshman.

Funds for a third award were presented to Harris College, whose administrators will select another coed. Selection is made on the basis of academic ability and future promise. The scholarships are renewable for up to four years. Of 12 awards given this year by the Dallas district office, 8 went to Texas institutions.

SPEAKERS ANNOUNCED FOR MINISTER'S WEEK

TCU Minister's Week, set for Jan. 8-11, 1968, will feature four distinguished Christian spokesmen: Dr. Waldo Beach, professor of Christian Ethics and director of graduate studies in religion at Duke University Divinity School; Dr. Dwight E. Stevenson, professor of homiletics, Lexington Theological Seminary; and Dr. Browne Barr, minister, First Congregational Church, Berkeley, Calif. The fourth speaker is a leading ecumenical statesman, Dr. George G. Beazley, Jr., president, Council on Christian Unity of the Christian Churches (Disciples of Christ).

The annual Minister's Week program is planned for ministers and their wives of Christian churches in Texas, Louisiana and New Mexico. The event will be held in the facilities of University Christian Church. Bill Tucker, assistant dean of Brite Divinity School, is Minister's Week chairman.

TOURS PLANNED FOR SUMMER STUDY ABROAD

Resident study at the University of Nantes, France, and at the University of Madrid, Spain, will be available to qualified students during the summer of 1968 through programs sponsored by TCU. The summer study tour at the University of Madrid is offered by the foreign language department in cooperation with The Institute of European Studies, July 1-26, and includes a four-week resident study program in Madrid preceded by a traveling study trip to Paris and the surrounding area, Southern Spain and Granada. Students will live in the homes of Spanish families while in Madrid. The program is under the direction of Dr. John Hammond, chairman of the foreign language department. Following the study program, an optional field study trip has been scheduled for July 27-Aug. 22 to other parts of Spain, Switzerland, Italy, Austria, Germany, Belgium and England.

Dr. Bita May Hall will direct the summer program at the University of Nantes, France, which is a cooperative effort with the European Extension Division of the Institute of European Studies. The six-week field study trip is scheduled for June 18-July 26 with an optional study tour from July 27-Aug. 26 to Eastern France, Switzerland, Italy, Austria, Germany, Belgium and England. During the month-long study at the University of Nantes, students will live in the homes of French families. An alternate Field Study Trip II, offered on an optional program, will include touring six other European countries with lectures by authorities in culture and history in each area.

Both foreign study programs are open to students from other schools provided they meet TCU's admission requirements. High school students may apply if they will have graduated by June, 1968. Additional information on the programs may be obtained from Dr. Hammond or Dr. Hall in the foreign language dept.

SORORITY OFFERS GRANTS IN HUMANITIES AND ARTS ✓

Alpha Delta Kappa, an international honorary sorority for women in education, is searching for the first of three women to whom it will give grants of \$8,000 to finance research in the United States in the arts and humanities. The first grant will be awarded in 1969, the second in 1971 and the third in 1973, at biennial conventions of the sorority which is headquartered in Kansas City, Mo.

Any women with work completed for a master's degree are eligible to enter a project in the cultural or educational fields. The projects for which the grants will be awarded will be selected for their continuing benefit to mankind. Preliminary screening of applicants will be made next summer with the top five selected for personal interviewing early in 1969. A winner and alternate will be announced at the sorority's convention in Kansas City later that year.

Women interested in additional information should write the international headquarters of the sorority at 1615 West 92nd St., Kansas City, Mo. 64114.

YULETIDE NOTES ON FOLKS OF NOTE

Chancellor JIM MOUDY will speak to members of the Fort Worth Branch, American Assn. of University Women, next Saturday on "Education Without Magic."

KEITH TURKETT of education has just returned from Poughkeepsie, N. Y., where he attended an IBM 1130/Concept School. Keith was most complimentary about the Yankee hospitality.

Friends of Dr. MARTINE EMERT will be interested to know that she has been moved from Harris Hospital to Mediocenter, Room 435, 850 Eighth Ave., Fort Worth 76104. Please send your Christmas greetings to the new address.

Congratulations to DONNA J. WILSON, assoc. research scientist and adjunct asst. prof. of psychology with the Institute of Behavioral Research, on the completion of her doctoral work in psychology at Louisiana State University. The degree will be conferred in January.

Government Chairman AUGUST SPAIN has been requested by the director of the office of external research of the U. S. Dept. of State for a copy of August's paper on "Military Intervention in Latin America: the Case of Bolivia." The paper was originally prepared for and delivered at the Conference on Latin American Affairs at the U. of Houston last April.

PORTER CROW of education was interviewed on Channel 11's "Point of View" program last Sun. on the TCU based "Project Change" which he directs. Since it began "Project Change" has structured over 200 workshops in 28 different academic and administrative areas. Almost 8,000 North Central Texas teachers have taken part in the various activities of the in-service training program which is concerned with new knowledge and new media.

A paper entitled "Nuclear Magnetic Resonance Studies of Ionic Crystals at High Temperatures," by PREM MAHENDROO and RICHARD LYSIAK of physics, and J. R. Miller has been published in the Proceedings of the International Conference on Spectroscopy (Vol II), 1967. The paper is based on a talk Prem gave at the conference. Co-author J. R. Miller received his Ph.D. from TCU in 1966 and is now on the faculty of East Tennessee State Univ.

AUGUST SPAIN of government spoke recently on the Peace Corps to the Future Homemakers of America at Paschal High School and on current politics in Bolivia at a meeting of the Fort Worth Pan-American Roundtable No. 1.
