## NEW BUILDINGS TO BE DEDICATED OCT. 19

Our three new buildings, Dan D. Rogers Hall, Milton E. Daniel and Colby D. Hall Dormitories, will be formally dedicated on the morning of Oct. 19--the day of the big football battle with the A. & M. Aggies. The formal program will be held in Ed Landreth starting at 9:30 a.m. with Dr. D. M. Wiggins, former president of Texas Tech and now vice-president of the Citizens National Bank of Lubbock, as speaker.

More than 2,000 invitations have been sent out and a large crowd is expected. Litanies for the new structures will be read by Dr. Ike H. Harrison, Deans C. J. Firkins and Elizabeth Shelburne. Vice-President D. Ray Lindley will give the prayer of dedication. A fine occasion indeed.

## NEW YEAR PARTY SUNDAY AFTERNOON

The first faculty social function of the season, a "New Year Party" honoring new members, will be held Sunday afternoon in the Faculty Center 5 to 6 o'clock. Mary Beth Scott promises to come up with top refreshments and everybody is expected.

We have some 45 new faculty and staff members this fall. Let's make them feel most welcome Sunday afternoon.

LIFT FROM THE FOOTBALL TEAM

New things in recent years have given the campus such a lift as the Frogs' sweet victory over Ohio State. All that creaking you heard came from Abe Martin's backbone as he took his bows.

Some interesting things happened at Columbus. For one, just before the game, a big, tough tackle told Abe the gang would like to pray together. They did, not asking for victory or even to do well. They just stood and said the Lord's Prayer together. It's hard to beat that kind of spirit.

Dutch Meyer pulled a goody. At a banquet the night before the battle, he got fed up with hearing all about the "Buckeyes"--Ohio's nickname. When called on, Dutch said: "I always heard that buckeyes were just little nuts." He got out alive but isn't too popular in the East.

The campus is certainly proud of Abe and his boys. We still say that as a coach, soft-hearted Abe produces some of the hardest-nosed teams we ever saw. The kids just want to play for him. And they do.

FINAL" ENROLLMENT FIGURES

Although they may be a few later comers, especially in Evening College, Registrar Alvin Cumbie reports our fall registration at 6,001. That's 154 down from last fall's total.

However, it was good to note that there were 3,448 in undergraduate day schools, an increase of 296 in "fulltime" students. Graduate School was also up (404 against 376) and Brite had 154 against 147 last year. Only loss was in Evening College (1955 to 480) but it had been expected. Unstable conditions at some major firms here seemed to be the biggest reason.

DR. LINDLEY'S NEW BOOK ✓

"The Apostle of Freedom," by our own D. Ray Lindley, has just come from the Bethany Press. It is a fine study of the teachings of Alexander Campbell in the area of the structure and function of the Church. Everyone interested in the area must have a copy.

UNITED FUND DRIVE NEAR

Hurl Crouch reminds us all that the annual UF campaign is getting under way. Soon everyone will be asked to make their contributions to this most important drive which supplies the means for more than a score of fine projects in our community.

Everyone should give something. It may not be a lot in some cases (a lot of us don't have a lot), but all faculty and staff folks should have a part in this affair. We must support the community that supports us all so well. Think it over and be ready.

TELEPHONE DIRECTORY READY

The new campus telephone directory, a swell job done by Jim Lehman, is now available. It has all divisions in alphabetical order and is the most complete so far. You can pick up a copy at the switchboard or Jim's office on first floor of Ad Building.

FRESHMAN FOOTBALL SCHEDULE

It's been suggested that everyone might want to know the freshman football schedule since the youngsters will have to be out of classes around that time. The slate is: Oct. 10 (night), A. & M. Fish at College Station; Oct. 17 (night) North Texas frosh at Denton; Oct. 30, Baylor Cubs here; Nov. 15, Texas Shorthorns here; Nov. 22, SMU Colts in Dallas.

MORE "THANKS" FOR FLU FIGHT

Lead Nurse Lucille Steers calls attention to the fine work of our dormitory hostesses in the recent battle with the flu. The continued and watchful care of the hostesses is credited with doing much to help out. Logan Ware and Juanita Owens also get a big back pat.

"CHAT A SPELL" WITH PHYSICAL EDUCATION

The Physical Education Department will hold open house in their "new addition," building 2, East Campus, Oct. 9, from 1 to 5 p.m. Everyone most welcome.

G. T. CORNELIUS and his fine wife were telling folks goodbye Sunday. They're off to Wichita, Kan., where Ed will be associate minister of the Hillside Christian Church. He retired from undergrad religion division last month. Everybody wishes them the best of everything.

BEAR WOLF is asking the aid of all in getting our prospective grads to fill out biographical and qualification forms in the Placement Bureau at once. Such forms will be a great help in the upcoming interviews by company representatives.

CORRECTION DEPARTMENT: Noel Keith denies that he has a wife "Bertha" in the hospital. In fact, he ain't got no wife named Bertha. Does admit that Beulah is abed but doing fine.

CORRECTION NO. 2: Carl Snyder (English Dept.) calls our attention to the fact that for the last two weeks the Bulletin has reported "yoeman" efforts on campus. He wonders if it should be "yeoman." In any event, we'll make a yoeman effort to get it right from now on.

L. C. WHITE, the business manager, reports that the "Faculty Frog" bowling team is no more. The gang has been taken over by a sponsor who pays all the bills, etc. L. C. isn't a business manager for nothing.

BEN PROCTER of history is getting a kick out of the football games. The former All-America end at U. of T. says that he wore a football helmet so long it contributed to his lack of hairline. Could be.

MARY BETH SCOTT, the eminent social director, pulled a "goody" recently. With some friends, she met up with an oldtime acquaintance who is now slightly on the large side (280 or so). Said the friend as M. B. and companions started to leave: "So glad to have seen you all." Replied the Social Director without batting an eye: "And I'm O glad to have seen ALL of you!"

RENE HUBER speaks Oct. 4 at the meeting of the Fort Worth Council of Teachers of English at Cross Keys.
