FINE FOOTBALL SEASON

hat 21-0 triumph over SMU (biggest since both teams have been competing in the SW onference) closed the grid season on a very sweet note. The subduing of Don Meredith as a triumph of coaching by Abe Martin & Co.

s a matter of fact, Abe and his gang--Walter Roach, Allie White and Fred Taylor--did top job in 1957. After losing eight starters from the great teams of 1955-1956, the rogs weren't supposed to do much. Critics thought they "might win two games." Yet ctories were scored over Baylor, SMU, Marquette, Alabama and Ohio State--the team at will be favored to win the Rose Bowl. A very good season indeed, considering.

ow Mr. Buster A. Brannon Esq., the veteran cage coach with thinning locks and no eldhouse, comes on stage. He promises to have a very good court team and every-bdy's invited to all games.

That bright red face on Saturday belonged to A. MELTON. When the invocator for the eetball game was late, he was quick drafted to give the prayer. 'Twas o.k. only he orgot to press the mike button until about halfway through. Well, maybe a half prayer is better than none.

Capt. ED MURPHY of the ROTC did a top job this fall writing the play-by-play accounts for the Press Box at games. He relieved WARREN AGEE who got a chance to see a game from the stands with his wife for a change. Incidentally, the Agees will be four one of these days.
