## FIRST FACULTY PARTY HONORS NEWCOMERS

On Sunday afternoon, Oct. 12, our first faculty social event of the session will be an Open House honoring the new members of the "family." Faculty Center will be the place and 'twill be a come-and-go affair from 5 to 7 p.m. Everyone will get notice by mail--and please come at the time indicated thereon.

Marybeth Scott says it will be a "Tepper"--a combination of tea and supper. Chances are there'll be enough food to carry all but Ben Procter through the evening. Brother Ben will NOT be allowed to bring his big plate.

Anyhow, as Marybeth points out it will be "Columbus Day" and everybody is cordially invited to come out and discover our new members. Plan now.

\*\*\*\*\*

## EVERYBODY PLEASE HELP ON "UNITED FUND"

Fort Worth's annual "United Fund" event is now in full swing and, as good citizens, all TCU folks will want to do their part. Cards will be coming your way from the deans and administrative officials (if you haven't received them already.) The Co-Chairmen of the campus committee--Burl Crouch, Jim Moudy and Karl Snyder--are heading our effort.

As Dr. Lindley points out, the University community surely stands at the forefront of all those who recognize and accept their civic responsibilities. Let's be 100% this year. You may not be able to give a lot--but give something and as much as you can. This is a job for everyone.

|||||

## BUDDY CAN YOU SPARE A BUCK?

Marybeth Scott, custodian of the faculty flower fund, is just ahead of the sheriff. She reports \$2 in said fund--and a bill for \$6 to pay. Not very solvent it seems. As you oldtimers know, ever so often all faculty folks chip in \$1 each for this fund from which we send flowers to members and their families in time of need. It's a very fine thing.

Before she could be "accused" of malfeasance, M. B. produced records that she took in \$74 from 74 folks in 1955-1956 and spent \$70 (legally) and last year took in \$65 and spent \$67. Let's all help in this dire situation by sending her \$1 (one buck) via inter-office mail or handing it to her in Faculty Center.

THE NEW ENROLLMENT RECORD

Calvin Cumbie's final figures on fall enrollment showed an increase of 369 students over 1957, an overall increase of 6 per cent. It is, of course, a new record for fall semester-- the old mark being 6,155 in 1956. All divisions showed increases over last year and three of the four Calvin uses set new alltime records. The statistics:

Division	Fall 1958	Fall 1957	Increase	Old Record
Day School (Undergrad)	3689	3455	234 ( 6.7%)	3455 1957
Brite College	156	155	1	155 1957
Graduate School	484	406	78 (19.2%)	406 1957
Evening College	2145	2089	56 ( 2.7%)	2480 1955

SUPPORT URGED FOR CITY BOND ISSUE

"The bond election on November 18 will be extremely significant in the life of our community. Items to be voted on were determined by a most intelligent planning committee. What is good for Fort Worth is good for T. C. U. We believe it will help our city tremendously if these bonds can be voted. It is our hope that all teachers and staff members may exercise their voting privilege on this occasion."

M. E. Sadler, President

FINE EXES REPRESENTATIVE MEETING

Congrats to Hartwell Ramsey and his co-workers on the third annual Ex-Students Chapter Representatives Conference on campus last Saturday. More than 70 delegates from our 38 Exes chapters attended and heard discussions of all phases of our programs and plans.

Top talks were made by Pres. Sadler, Vice-President Lindley, Dean Jerome Moore, student leaders and deans--among others. Jerome, speaking on "Academic Standards at TCU," came up with four typed pages of info about our accreditation and standing in all areas of our work. It was most revealing and we'll try to pass the highlights along soon. Good show all around.

Ooooooooooooooooooooo

VACUUM CLEANER ANYONE ?

Bonne Enlow reports that Home Economics has a Hoover upright cleaner, Model 65, that will be replaced by the company soon and is up for sale. Used less than a year, it's in good shape and is offered by the Hoover Co. for \$54.97 without attachments and \$66.45 with. Retail price is around \$100, Bonne reports. If interested, call her.

FACTS ON FRATERNITY RUSH

C. J. Firkins has made a thorough report on this fall's Fraternity "Rush." The figures: 179 boys registered for the event, 166 completed the first round parties, 14 dropped out for reasons unknown, 8 dropped out although they had party bids (6 were found to be ineligible), 11 refused bids and only 1 boy who went through the entire program failed to receive a bid. In all, 125 were pledged. At present, we have 398 men either as pledges or active members of our eight fraternities. A good report.

)))))))))((((((((((((

FULL FACULTY MEETING ON OCT. 15 and Nov. 19

Our new program of fairly regular faculty meetings gets off to a flying start with two promising sessions in October and November. Dr. Raymond G. Seeger, deputy director of the National Science Foundation of Washington will speak on the future direction of our program at 8 p.m., Wednesday, Oct. 15. Due to Dr. Seegar's very tight schedule in this area, it was the only day and hour we could get him.

Then at 4 p.m. on Wednesday, Nov. 19, Pres. Sadler has arranged for Dr. Goodrich White, chancellor of Emory University, to speak to the whole group. Dr. White is one of the really great educators of the South and his vast experience will help us a lot. He'll be on campus several days talking with various individuals and groups. His meeting with the full faculty will be a highlight.

Oh yes, both meetings will be held in the Lecture Hall of Dan D. Rogers Building (where we had our Orientation session). See you then.

/\*\*\*\*\*/

ANNUAL PHOTO DEADLINE IS NOV. 3

The staff of the Horned Frog reminds that faculty folks should have their pictures made as soon as possible at Orgain's Studio, 705 1/2 Main Street. They've set a deadline of Nov. 3 but would appreciate all who can going down a bit sooner. Let's help out.

PSYCHOLOGY SEMINAR SERIES

All faculty folks are cordially invited to attend a series of graduate seminars to be held the second Monday night of each month throughout the academic year by the Department of Psychology. Faculty Center will be the place. There'll be coffee and cookies during a social hour from 7 to 8 p.m. with the scientific program starting at 8.

Dr. Saul B. Sells, professor of psychology, will be the speaker, for the first event Oct 13. He will discuss "A Review of Cattell's Research on the Structure and Measurement of Personality and Motivation." This is a very interesting field right now. No reservations, etc. are necessary. Just come.

TCU PERFORMANCES AT STATE FAIR

As our contribution to the "Higher Education Event" being held at State Fair in Dallas, three groups from Fine Arts will give performances. In fact, Pianist Joe Bratcher has already appeared last Sunday. On Friday, Oct. 10, our faculty woodwind quintet will give a program at 5 p.m. Members of the group are Ralph Guenther, Marcel Dandiois, David Graham, Anita Brunson and John Woldt.

On Saturday, Oct. 18, Walther Volbach's theatre division group will give two performances of "The Fischbeck Tapestry." The same cast that presented the unusual play in Little Theatre last session will perform in Dallas. Know it will go well.

NEW PARTTIME FACULTY MEMBERS

With our record enrollment, a number of folks have accepted appointments as parttime teachers this fall. Among them: E. H. Zamorano (Spanish), Mrs. Ailene Rall (English), N. M. Peterson (Math), E. J. Boone (Office Administration), Mrs. Sue Simpson (French), Mrs. Mary Frances Pratt (Math).

( . . . . . )

FULBRIGHT APPLICATIONS DUE NOV. 1

Applications for student Fulbright Fellowships for study abroad in 1959-1960 should be made as soon as possible to Registrar Calvin Cumbie. They are due in Washington, D. C., by Nov. 1. Students must have completed their bachelor's degree by June of 1959 to be eligible. If you know of a strong candidate, might contact Calvin to get the wheels rolling.

FINE FALL CONVOCATION

Dr. Harmon, president of Drake, gave a really fine address for our Fall Convocation last week. While not all seats were taken, it was a good crowd and the faculty took part almost 100%. Thanks folks. The program as the first planned and staged by Jim Farrar's new Public Programs Committee--and a job well done. The stage setting was especially effective. But we do need to get that curtain cleaned.

#####

NOTES ON FOLKS OF NOTE

HAROLD LUNGER of Brite is the author of "The Bible and Our Social Responsibility," a 13-week study course for older young people and adults which was released by Bethany Press Sept. 15. It's a challenging little book showing how actions of Biblical figures, from Moses to Jesus, give insights into ethical standards still applicable in our century. Good reading.

NOTES ON FOLKS OF NOTE

CLYDE YARBROUGH, DAVID MATHENY and DOROTHY BELL of Fine Arts attended the fall meeting of the Texas Speech Assn. in Waco last week. David was chairman of the committee on exhibits and Dr. Bell (Ph. D. from Denver in August) was chairman of a sectional meeting on audiology. Clyde, incidentally, has been named to a committee of the Speech Assn. of America "to investigate, identify, evaluate and recommend possible research areas and topics for the Administrative Policies and Practices Group of the National Association.

From the U. of West Virginia, WARREN AGEE sends a copy of the quarterly published by the School of Journalism. Warren, now head of said School, sounds very busy indeed.

We're indebted to Joe Watson of the Fort Worth Chamber of Commerce for a clipping in the "Stars and Stripes" with a big feature picture of our football game with Kansas. Joe picked up the paper in Berlin and mailed the clip from Switzerland.

CHARLES KEMP of Brite was in Tulsa this week to give a series of lectures on counselling at Hillcrest Medical Center. Physicians and ministers of the Tulsa area took part.

Coaches ELMER HENSON and NOEL KEITH took credit for only two plays in the Arkansas game: The fullback trap on which Jack Spikes went 39 yards to set up the winning TD and the rollout pass by Hunter Enis that won the game. They claim ABE was in charge the rest of the time.

RALPH GARRETT, winner of last week's press box seat at Faculty luncheon, was on hand with bells on Saturday night, sitting right smack among the busy newsmen covering the game. Seemed to enjoy it a lot.

DR. NEWTON GAINES (and his good wife) visited here last weekend with their daughter and son-in-law, Mr. and Mrs. Bob Stanton, and granddaughter Mary Beth. Our well-loved professor emeritus of physics is now working at Midwestern U. in Wichita Falls-- or so we hear.

MICHAEL WINESANKER talks to the Whitlock Club on comic opera in America Thursday night. He will also attend a special meeting of the directors of the Texas Association of Music Schools at TWU in Denton Oct. 18.

MARINE BAND TO PLAY HERE THURSDAY

The attention of all faculty members is called to a concert of the Fleet Marine Force Atlantic Band to be given in Ed Landreth Auditorium at 11 a.m. Thursday, Oct. 16.

Arrangements for this event were made to late that there has been little time to inform faculty or students. If you can mention this program in your classes Wednesday and Thursday morning it will be appreciated.

No classes scheduled for this hour will be dismissed. However, everyone is invited and there is no admission charge. This is a very famous band that has been appearing at the State Fair in Dallas and arrangements for the campus appearance was made through our band director, Mr. Jacobsen.

Any help you can give in publicizing the event will be appreciated.

	Fall 1954	Fall 1955	Fall 1956	Fall 1957	Fall 1958
Men	4047	4614	6155	6186	6474
Women	2108	2525	3004	3250	3468
Total	6155	7139	9159	9436	9942

Dean Smith's study deals with the 1957-1958 school year (with figures for each semester). It shows that our 1,364 men carried an average of 14.94-hour load and had a grade-point average of 1.827. Our 2,452 girls carried a 15.43-hour average load and had a 1.876 grade-point average. (This is under the old three-point system). Top grade score was 3.0 for the 413 senior girls with a 2.2121 average. The senior men did 1.714.

There is not time here to give all of this interesting chart but Dean Smith reports he will send a copy if faculty folks want them. Just let his office know.

TEXAS CHRISTIAN UNIVERSITY  
FORT WORTH, TEXAS

October 3, 1958

Dear Fellow Faculty Members:

I am writing to remind you of the first of our fine series of concerts here at Texas Christian University--the Select Series group of presentations.

We are fortunate to have as our first artist Mr. Martial Singher. As you know, Mr. Singher is on the faculty as artist-in-residence in the School of Fine Arts, and this will be a fine opportunity for you to hear this truly great singer.

It has been my personal pleasure to hear Martial Singher upon two occasions and both concerts were rare musical experiences. It was my good fortune to be able to hear him this summer as soloist with the National Symphony Orchestra in Mexico City. His reception upon this occasion was marked by a great deal of enthusiasm on the part of both the patrons and critics. Mr. Singher is a musician with an outstanding background of knowledge and experience; renowned both as recitalist and opera singer.

Your attention is called to the fact that the concert is to be held in Ed Landreth Auditorium on Tuesday evening, October 7th at 8 p.m. The date listed on the back of your ticket is incorrect.

I hope that you will take this opportunity to hear Mr. Singher and to encourage your students to attend a recital which I feel will be an outstanding feature of our Select Series of programs.

Sincerely,

Ralph R. Guenther  
for the Select Series Committee
