- 9:00- 1:00 A. M. --Exes 100 Dance, Hotel Texas.

SUNDAY, NOV. 2

ALL DAY: Quadrangle Displays Open to Public

MORNING: Special Homecoming Services, all campus churches

BRING THE KIDS FRIDAY NIGHT

Friday night's Homecoming events, on Halloween, offer a fine opportunity to bring the family--and friends--to campus for a lot of fun. The "displays" the students are erecting around the Quadrangle will be something to see and everybody can enjoy the band concert and bonfire. Make a note of it right now and plan to be there.

Also, hope you'll check over the many list of events on the calendar and attend any and/or all if you can. You'll be most welcome. There'll be a fine chance to meet old (former) students at the Saturday morning coffees and the get-together at the stadium after the game.

The Ex-Students luncheon at 11 a. m. Saturday will be a swell event too. Dr. Willis Hewatt is chairman of the committee selecting "Most Valuable Alumnus" this year and he's worked hard. If you can, be there to hear the big announcement. And note that live telecast from campus at 11:30 on Saturday. Jim Costy has labored long in lining up that event and it should be a good one. Let's all make it a fine Homecoming.

)ooooooooooooooooooooo(

DEAN RICHARDSON BREAKS LEG

The campus was unhappy to hear last week that Dean Emeritus of Admissions T. F. Richardson suffered a broken leg just below the hip when he slipped while working on a fence down in Huntsville. He's in the Huntsville Memorial Hospital and probably will be abed for several months. Anna Byrd Wallace talked by phone with both him and Mrs. Richardson and said they were still cheerful. The faculty sent flowers. If anyone cares to write, the Richardsons are living at 905 10th Street, Huntsville, Texas.

//////////

FAMED PANTOMIME MOVIE COMING UP

Next movie on our series in Student Center is due Nov. 4 at 6:45 p. m. It will be "Mr. Hulot's Holiday," a French production with no spoken words. It's all in pantomime and according to those who have seen it one of the funniest films ever made. Sounds right interesting.

"FLOWER FUND" REACHES \$84--AND THANKS

Marybeth Scott reports that contributions to the faculty flower fund have reached \$84 for the semester. She wishes to say "thank you" for the help that permits us to send flowers to members of the family in time of trial or illness.

TCU SEVENTH LARGEST IN STATE THIS FALL ✓

A study by indefatigable Calvin Cumbie shows that TCU has the seventh largest enrollment (head-count) in the State this fall--also that it is the third largest "independent" school and the only church-related school among the big three to show an increase this fall. His tabulation:

| | |
|----------------------------|--------|
| University of Texas..... | 17,792 |
| University of Houston..... | 12,840 |
| Texas Tech..... | 8,768 |
| Southern Methodist..... | 8,237 |
| Texas A. & M..... | 7,077 |
| North Texas State..... | 6,779 |
| T. C. U..... | 6,474 |
| Baylor..... | 5,752 |

According to the figures, SMU showed a decrease of 147 and Baylor lost 190 this fall. TCU was up 369, of course. And incidentally, did you see where SMU is expected to put in a tuition increase? Baylor upped rates this fall.

SOCIAL SECURITY RATE TO GO UP JAN. 1

Cecil White calls attention to the fact that starting Jan. 1, the Social Security tax rate goes up from 2 1/4% to 2 1/2%. The University makes a like contribution under the law, of course.

Also, it should be noted that these new rates apply to a base of \$4,800 instead of \$4,200 as before. This means that the maximum deduction from any salary during 1959 will be \$120 instead of \$94.50 as in 1958. The self-employed rate increases from 3 3/8% to 3 3/4% and is applied to the broader base also. Just thought you'd like to know. Incidentally, benefits under Social Security will also increase in some cases on Jan. 1. If concerned, might check on this.

FEW BOOKSHELVES, BULLETIN BOARDS AVAILABLE

L. W. Ramsey, super of Buildings and Grounds, reports he has a few bookshelves and two large bulletin boards available if anyone has need. They are for use on campus only. Anyone interested can give L. G. a ring at Ext. 366.

GERMAN CLUB MEETINGS

Deutsch Ubende Sesellschaft (the German Club meets each first and third Tuesday from 8 to 10 a. m. in S. C. room 205, Sponsor L. John Parker announces. Only German is spoken during the sessions and anyone who'd like to brush up will be welcome. There are special speakers and movies.

COLLEGE TOWN HALL HERE NOV. 7

The annual College Town Hall held on campus is set for Friday, Nov. 7, in the Dan D. Rogers lecture hall from 9 to 10 a.m. It is open to anyone and some instructors may wish their classes to attend in a group. The program takes the form of a panel discussion. The TCU Chamber of Commerce and Texas Manufacturers Association are sponsoring.

#####

NEEDED: ONLY \$26.75 TO HIT OUR UF GOAL

Mr. Burl Crouch of the campus UF Committee reported at noon Tuesday that we have pledged \$3,421.25 (including \$1,911.75 in cash) to the UF drive for the year. Our goal was \$3,447.00--so we are only \$26.75 short. If YOU haven't helped so far, hows about doing it right now? Let's give her that last, little push over the top.

NOTES ON NOTABLE FOLKS

JOE HODGKINS of Chemistry has had a paper published recently by the Journal of Organic Chemistry. Title: "Infrared Analysis of a Cyclopropane Polymer." Congrats Joe.

MICHAEL WINESANKER was named chairman of a new Committee on Graduate Studies at the recent meeting of the Texas Association of Music Schools in Denton. He'll make a report on the status of graduate work in Texas colleges and universities at an April meeting in Houston.

JOHN H. HAMMOND, W. H. ROTHROCK and L. J. PARKER have been named to serve as a library committee for Foreign Languages by Chairman JEROME MOORE. Other members of the division will help them in determining books and periodicals needed for the library in the field.

WILLIAM J. and MARGARET F. HAMMOND are the authors of a new book, LaReunion, A French Settlement in Texas, which has just been published by the Royal Company of Dallas. It is a well-documented and absorbing historical study. Both Hammonds, of course, are TCU grads.

ERNEST L. BUCKLEY of Evening College had an article, "Reinforced Concrete Used for Lightweight Stretch Form" in the October issue of National Civil Engineering. Good work.

JEFF HORN spoke to the Richland Hills Lion Club last week and to the West Van Zandt PTA two days later. A busy young man. (And mighty proud of them Aggies after that comeback against Baylor.)

BILL BIGGERS, head of Security, wishes to say a deep "thanks" to those who sent flowers recently on the death of his brother-in-law. The flowers were simply signed "TCU."

JIM JACOBSEN was in Amarillo early this week to judge 42 senior and junior high school bands in the annual Region 11 Marching Band Contest of the Interscholastic League.

AUGUST SPAIN will speak to the Carswell Officers Wives Club Monday on the "Issues of the 1958 Election." A question-answer period will follow. As you know, national elections are due the next day.

.....

OFFICIAL ABSENCES

The following students were absent from classes Friday, October 24, 1958 to attend a Debate Tournament at Lubbock, Texas:

- | | | | |
|--------------|-------------|------------------|-------------|
| Bill English | Lonn Taylor | Neil Weatherhogg | Walter Webb |
|--------------|-------------|------------------|-------------|

These students will also be absent from classes Thursday, October 30 and Friday, October 31 to attend a tournament at Emporia, Kansas.

The following students will be absent on Thursday, October 30 and Friday, October 31 to attend the Southwest Theatre Conference at Amarillo:

- | | | | |
|-----------------|-----------------|-----------------|----------------|
| Neal Reck | Robert Sessions | Georgia Ehly | Maggie Moore |
| Robert O. Jones | Ronny Johnston | Joyce Nicholson | Dorothy Kemper |
