Dear Sir,

With reference to the enclosed Money Order number XWK 52757, we enclose herewith an application requesting this money to be made payable to the Uganda Society, Private Bag, Kampala, Uganda, E. Africa.

The original Money Order was received from Oscar E. Monning of Fort Worth, Texas, U.S.A. asking for copies of the Uganda Journal and sent to the Oxford University Press in London. As they no longer publish this journal they sent it on to us as we print the book. However, all copies are sent to Uganda and we should be glad therefore if it would be possible to forward this payment direct to them.

We are forwarding the remitter's letter to <sup>the</sup> Uganda Society advising them that the payment will follow.

Yours faithfully,

p.p. HEADLEY BROTHERS LTD.
