

# AMERICAN METEORITE MUSEUM

OPPOSITE METEOR CRATER ON HIGHWAY 88

★

POST OFFICE BOX 1171  
WINSLOW, ARIZONA

Oct. 18, 1949

Dear Mr. Winnig:

I think you have investigated the location of the McKinney find of 1870. A customer has purchased a specimen who wants to know the exact location as nearly as possible. Could you favor us with the information?

Cordially

H. H. Nininger
