Mr. Roy Eubank,  
P.O. Box 802,  
Littlefield, Texas.

Dear Roy:

This is strictly a personal matter, having to do with my meteorite collecting, and I'd appreciate a little information.

I am offered an iron meteorite by a collector at Midland who got it from a man there. The finder says a man who now farms at Littlefield was with him when he found the meteorite.

The farmer at Littlefield is supposed to be named Bob Cohen but no one there has a phone in that name, and I think there is a chance the name was spelled wrong by the man who wrote me. It may be Cone or Coen or something like that.

All I want you to do is to find out if there is a farmer named Bob Cohen or something like that near Littlefield, and if you locate any one like that, get me his correct name and address (and phone number if he has a phone). My idea is to write or talk to this man to get confirmation about the story of the finding of the meteorite.

*Charles*

Yours sincerely,

*I saw Mr. Coen this afternoon and she said his telephone No had just been changed and she did not know the No. but you could call him at Olton and get him most any night. a letter would reach him just addressed Bob Coen, Olton, Texas. His initials are R.C. but over*

If you call him, she thought it was listed  
Bob. Coen,
