Mr. Jim Mull,
P. O. Box 3291
Eugene, Oregon 97403

Dear Mr. Mull:

Thank you for accepting my collect long distance call. I did receive, on May 12, the package you had mailed May 5, as you said. It was in good condition and the meteorites carefully packed. One corner is breaking off one piece but I do not object to that, as I know how fragile these meteorites are.

Now please invoice me for these and send a refund of any balance of the \$460.00 I sent you. I wish to conclude the transaction and if I am not going to get meteorites I need and deserve the money I have coming.

Thanks for all your trouble and writing, but let us get this over with. I have been worried and felt imposed on long enough.

Yours sincerely,

Orin L. ...
