Mr. Jim Mull,

Dear Sir:

I have not received the Murchison specimens about which we last corresponded in your letter of Feb. 15 and my reply of Feb. 19. I see my check for \$460.00 of Feb. 6 has cleared the bank (I did erroneously write "Four and 60/100" on the body of the check, but wrote \$460.00 in the number portion and the bank cleared it as \$460.00, so no harm was done by the mistake).

As the amount involved is rather substantial I hope you have sent them and can so inform me. I have observed that insured mail sometimes move slower than ordinary packages, but am anxious to hear from you.

Sincerely,
