Dear Grandma + Grandpa.

I hope this letter reaches you feeling as fine as I do. I am getting along fine. I weigh over 180 pounds now and I believe I'm an inch taller.

We went on a maneuver last Tuesday out at Camp Bullis. They are experimenting with a new method. Each section had a truck to haul the equipment in and the truck followed it up on all moves. I was a

switchboard operator. One good thing is that I won't have to lead a mule any more. They have permanent mule leaders now.

As I told you before we've been taking lessons in Radio here at the Co. every morning. The Signal Corps Radio School has started now and I go to it every afternoon. There were 150 men at the school and they didn't have room for but 100, so they are weeding out a  $\frac{1}{3}$  of them. I don't think I will have to quit. I can receive about 12 words a minute now.

I wonder if Broken Bow

won the game with Edabel  
on Turkey Day? The 23rd  
beat Kelly Field 6-0 the  
27th and are still unbeaten.

We certainly had a banquet  
the 28th. The Colonel, the  
Adjutant and their wives  
and children and some more  
officers and the wives and  
children of the enlisted  
men ate with us. We  
had gobs of turkey, cakes  
pies, ham, all kinds of  
dressing, shrimp salad,  
oyster soup oranges, apples,  
bananas, grapes nuts and  
candy and ice cream. And  
every body got a package

of cigarettes I swapped mine  
for a show ticket.

I wonder where Ray  
will move to? I know you  
will miss them. Tell them  
goodbye for me too. If  
they don't move too far I  
will see them when I  
come home.

When you see Miss Stafford  
again tell her I certainly  
would like to see her.

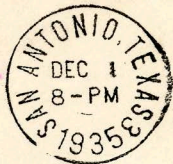

I'll be glad when  
I come home. I want to  
go to Ky. I know a boy  
here named Loop who  
came from Mayfield Ky. He  
said he knew lots of  
Green's and Oriders.

Well, I can't think of  
anything else to write about  
so I'll close. Lots of love  
Smith
