WELCOME Chancellor Tucker

CALL TO WORSHIP The Reverend John L. Butler
Minister to the University

Leader: We praise You, O God, and know You as our creator. By Your gifts to us, we seek to make perfect our will to accord with Your will for us.

People: (All Reading Together) Your gifts to us require that we do justly, love mercy, and walk humbly. Thereby we worship and serve You and discover ourselves to be made in Your image.

Leader: Be joyful and worship God. Honor God's presence with a song.

HYMN (*All Standing*) Led by Dr. J. Arden Hopkin
Associate Professor of Voice

PRAISE BE TO GOD THE ALMIGHTY

Joachim Neander, 1680 Arranged by Curtis Wilson
(From *Everflowing Streams*) Pilgrim Press, 1981

Praise be to God, the Almighty, who rules all creation.
O my soul, worship the well-spring of health and salvation.
Let all who hear Now to God's temple draw near,
Joining in glad adoration!

Praise be to God, who o'er all things is wondrously reigning,
Bringing new life, in great mercy redeeming, sustaining.
Ponder anew what the Almighty can do.
Ponder God's gracious ordaining.

Praise be to God, who works justice, who ends all oppressing.
God's name most holy let Israel always be blessing.
Rise up on wings, Healing and wholeness God brings.
Always God's deeds be confessing.

Praise be to God, O forget not God's manifold graces.
All that has life and breath, one song of gratitude raises.
Let the amen sound from God's people again.
Gladly forever sing praises. AMEN.

INVOCATION Mr. Butler

LITANY OF THANKSGIVING Mr. Butler

Leader: Our experience of joy on this occasion is shared with one another as we express our common thanksgiving.

We offer our thanks, Gracious God, for those who founded and guided this institution; for those today whose lives, talents and gifts keep its heritage and direct its opportunities.

People: Hear our prayers of thanksgiving, Gracious God, for all who learn and use Your saving health for all nations.

Leader: We offer our thanksgiving for the love of families that bring honor, charity, and good will to the hope of learning.

People: Hear our prayers of thanksgiving, Gracious God, for all communities of care who enable the lessons of mercy and justice.

Leader: We offer our thanksgiving, Gracious God, for those who teach and those who learn the patterns and processes of life that lead us to Your Spirit of Grace.

People: Hear our prayers of thanksgiving, Gracious God, for all universities and the continuing search for what you would have us do so that your spirit may lead all persons to the light of wisdom.

AMEN

TRADITION OF ACADEMIC DRESS

The history of academic dress dates from at least the twelfth century when long gowns were needed for warmth in the unheated buildings used by medieval scholars. In England, both Oxford and Cambridge made academic dress a matter of university surveillance, and both institutions regulated what colors, trim, etc. could be used by faculty and students. In May 1895, representatives from American institutions of higher learning met at Columbia University and formulated a "code of academic dress" which has generally been followed since that time, although some revisions were initiated in 1932 and in 1960.

The dress code recommended that gowns for the bachelor's degree should be worn closed and should have pointed sleeves. Gowns for the master's degree can be worn open or closed, but their sleeves are oblong in shape with open wrists. Gowns worn by those holding the doctorate degree also can be worn open or closed and feature bell shaped sleeves.

Gowns from different institutions vary in color, but most are black. Neither the bachelors' nor the masters' gowns feature trim, but doctoral gowns are faced down the front with black velvet and hold three bars of the same fabric across the sleeves. Sometimes these facings and sleeve-bars are velvet of the color distinctive of the subject to which the degree pertains, thus agreeing in color with the binding or edging of the hood appropriate to the particular doctoral degree of the wearer.

Hoods are to be of the same color and material as the gowns and are lined with the official color(s) of the college of university conferring the degree. Bindings or edgings for the hoods reflect the color distinctive of the subject to which the degree pertains. Bachelors' hoods are three feet in length; masters' hoods are three and one half feet in length; doctoral hoods measure four feet in length.

For all accademic purposes, including the trimmings of gowns, hoods, and tassels, the colors associated with the different academic subject field are as follows:

Agriculture	Maize
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac

The members of the TCU Alumni Association join me in congratulating you on the culmination of your academic effort at the University. The completion of one effort often heralds the beginning of another, and, in this, your fellow alumni wish you well.

You and the members of your class are important to the Association and the Alma Mater we serve. We are proud of the financial support we have given that continues to grow each year. We are proud of the support we lend to help provide higher academic goals for tomorrow's students. Much that you have enjoyed here in both faculty and facilities has been made possible by the generous support of graduates who have preceded you.

We encourage you to keep in touch with the Alumni Office. Let us know of your accomplishments, your activities and your interests. Keep us informed of your address, and we will keep you informed about the University and about Alumni Association events such as homecoming, class reunions, and alumni activities in your area. Your presence and participation in these programs will afford lasting friendships among classmates and other alumni.

You are the reason for the Association, and we welcome you to the fellowship of alumni throughout the world.
