TO THE FRIENDS AND PATRONS OF THE
SOUTHWESTERN EXPOSITION AND FAT STOCK SHOW

Our Executive Committee held a meeting this week and set the price for the 1946 Season Boxes. The posted prices on box tickets will be the same in 1946 as they were in 1945 — \$3.00 per ticket plus 20% Federal Tax — Total price per ticket, \$3.60. The net price for 1946 box tickets will be \$2.25 per ticket plus 20% Federal Tax (45¢), total \$2.70 per seat. With few exceptions, the boxes have 6 and 8 seats each. By buying a box for the season there will be a savings of \$102.69 for a 6 seat box and \$136.80 for an 8 seat box. These figures are based on the following:

6 Seat Box—19 Shows—114 Seats—\$3.00 Each — \$342.00

Less Discount for Season Price 85.50

Net \$256.50

Plus 20% Fed. Tax 51.30

TOTAL \$307.80

8 Seat Box—19 Shows—152 Seats—\$3.00 Each — \$456.00

Less Discount for Season Price 114.00

Net \$342.00

Plus 20% Fed. Tax 68.40

TOTAL \$410.40

Enclosed herewith is a memo covering your box with the net price including Federal Tax for 1946. If you care to have this box reserved for you, please sign and return to us promptly as we have more than two requests for each box in the Coliseum. A large number of these have requested that we bill them immediately in order that they may include this in their 1945 expense statement.

Your prompt attention in handling this matter will be greatly appreciated.

Respectfully,

SOUTHWESTERN EXPOSITION AND FAT STOCK SHOW
