People: (*All reading together*) Your gifts to us require that we do justly, love mercy, and walk humbly. Thereby we worship and serve You and discover ourselves to be made in Your image.

Leader: Be joyful and worship God. Honor God's presence with a song.

HYMN (*All standing*) Led by Dr. Sheila Allen
Associate Professor of Voice

Praise Be to God the Almighty

Joachim Neander, 1680 Arranged by Curtis Wilson
From "Everflowing Streams," Pilgrim Press, 1981

Praise be to God, the Almighty, who rules all creation.
O my soul, worship the well-spring of health and salvation.
Let all who hear Now to God's temple draw near,
Joining in glad adoration!

Praise be to God, who o'er all things is wondrously reigning,
Bringing new life, in great mercy redeeming, sustaining.
Ponder anew What the Almighty can do.
Ponder God's gracious ordaining.

Praise be to God, who works justice, who ends all oppressing.
God's name most holy let Israel always be blessing.
Rise up on wings, Healing and wholeness God brings.
Always God's deeds be confessing.

Praise be to God, O forget not God's manifold graces.
All that has life and breath, one song of gratitude raises.
Let the amen Sound from God's people again.
Gladly forever sing praises. AMEN.

INVOCATION Mr. Butler

LITANY OF THANKSGIVING Mr. Butler

Leader: Our experience of joy on this occasion is shared with one another as we express our common thanksgiving.

We offer our thanks, Gracious God, for those who founded and guided this institution; for those today whose lives, talents and gifts keep its heritage and direct its opportunities.

People: Hear our prayers of thanksgiving, Gracious God, for all who learn and use Your saving health for all nations.

Leader: We offer our thanksgiving for the love of families that bring honor, charity, and good will to the hope of learning.

People: Hear our prayers of thanksgiving, Gracious God, for all communities of care who enable the lessons of mercy and justice.

Leader: We offer our thanksgiving, Gracious God, for those who teach and those who learn the patterns and processes of life that lead us to Your Spirit of Grace.

People: Hear our prayers of thanksgiving, Gracious God, for all universities and the continuing search for what You would have us do so that Your spirit may lead all persons to the light of wisdom.

AMEN.

BACCALAUREATE HONORS RECOGNITION

Students having a cumulative grade point average of 3.9 or above on a 4.0 scale are graduated *Summa Cum Laude*; those with 3.7 to 3.9 are graduated *Magna Cum Laude*; those with 3.5 to 3.7 are graduated *Cum Laude*.

Students with the requisite grade point average who have completed with distinction Honors work in the major field of study including a Senior Honors Project are recognized as having attained Departmental Honors.

TRADITION OF ACADEMIC DRESS

The history of academic dress dates from at least the twelfth century, when long gowns were needed for warmth in the unheated buildings used by medieval scholars. In England, both Oxford and Cambridge made academic dress a matter of university surveillance, and both institutions regulated which colors and trim could be used by faculty and students. In May 1895, representatives from American institutions of higher learning met at Columbia University and formulated a "code of academic dress" which has generally been followed since that time, although some revisions were initiated in 1932 and in 1960.

The dress code recommended that gowns for the bachelor's degree should be worn closed and should have pointed sleeves. Gowns for the master's degree can be worn open or closed, but their sleeves are oblong in shape with open wrists. Gowns worn by those holding the doctoral degree also can be worn open or closed and feature bell shaped sleeves.

Gowns from different institutions vary in color, but most are black. Neither the bachelors' nor the masters' gowns feature trim, but doctoral gowns are faced down the front with black velvet and hold three bars of the same fabric across the sleeves. Sometimes these facings and sleeve-bars are velvet of the color distinctive of the subject to which the degree pertains, thus agreeing in color with the binding or edging of the hood appropriate to the particular doctoral degree of the wearer.

Hoods are to be of the same color and material as the gowns and are lined with the official color(s) of the college or university conferring the degree. Bindings or edgings for the hoods display the color distinctive of the subject to which the degree pertains. Bachelors' hoods are three feet in length; masters' hoods are three and one-half feet in length; doctoral hoods measure four feet in length.

For all academic purposes, including the trimmings of gowns, hoods, and tassels, the colors associated with the different academic fields are as follows:

Agriculture	Maize
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts, including Architecture	Brown
Forestry	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration, including Foreign Service	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron
Theology	Scarlet
Veterinary Science	Gray
