

House of Representatives,

Washington, D. C., Jan 28th 1881.

enclosure

Hon W. G. Le Sue,
Commissioner of Agriculture,
Washⁿ D. C.

Dear Sir,

I enclose a letter from Vernon
Shaw Kennedy, Esq, which will explain
itself.

I have no personal acquaintance with
W. Kennedy, but doubt not, from the fact that
he carries a letter from my late partner, Sir
John Rose, of London, that he must be a
man entitled to confidence.

I therefore enclose his letter for your
favorable consideration,

and remain,

Very truly yours,
L. P. Morton
