

my dear Sir,

From the purchase of some
articles here & some previous debts I
find it very inconvenient for me
to pay my part of the 1000 \$
due from us at the close of
the Session. I therefore ask you to
open a correspondence with
Mr Newbold of N. York to see if he
can devise some plan to continue
the loan or to draw upon me for
one half pay 90 or 120 days after
the maturity of our debt to him, by the
Scrip ton Ken. Northern Bank
