Mr Carter: thought perhaps
you might enjoy the enclosed
(I suppose that you would call
it poem) that was written
by a little niece of mine,
Joy Hanston. Mrs Herndon
had very little education,
but Radio Station K.P.R.C.
thought enough of it to read
it over "the air" and knowing
how dear the subjects are to
you am passing it on to you
for your pleasure.
Mrs Smissen.
