Mr. Amon G. Carter
Fort Worth Star-Telegram
Fort Worth, Texas.

Dear Mr. Carter:

Mr. C. R. Smith has brought to our attention the fact that the Fort Worth Star-Telegram was billed under its Air Travel Plan for your recent trip to New York to attend the Directors' meeting. We have today forwarded the Star-Telegram a credit memorandum in amount of \$70.21, cancelling that charge, copy of which is attached hereto.

Our records indicate that it was necessary for you to take a train from Washington to New York in connection with this trip and that you were furnished rail transportation at our expense. There will be no billing to you for such transportation as we will absorb the charge as traveling expense of Directors.

We are sorry that you had this interruption in your trip and trust that the above referred to handling will clear the matter up to your satisfaction.

Very truly yours,

T. J. Dannon
Vice President and Treasurer
