

from the paper, I'd love
to have them as my
scrap book of him just
lacks a few pages of being

Dear Mrs. Deakins. Thanks
so very much for the
articles from Ft. Worth Star
Telegram. Picture was much
better than the one in the
Courier.

Had a card from Anne Jr.
(dated 11th). He was leaving
Brussels for Paris. Am sure
(over)

you have had later news
of him for that has been
8 days now. Can hardly
believe yet that he is safe
but it's ~~too~~ very wonderful.
Now he can tell some
things we could hardly believe
Thank God he's as well as he
is. Again, Thanks so very much
for keeping me posted on him.
If you have any other articles
