Mr. Amos G. Carter;

Dear Sir:—

Just a line in answer to your letter of the 3^d.

I am not a collector of stamps.

If it is not asking too much I would I would like your son's address so that I can write and thank him for the stamps, and ask him if he wants me to keep them or if I should send them to you, or to one of his friends.

Thank you for responding and won't you please favor me with another letter.

Yours truly

Private Charles Cox,
8th Ser. Comm. M. P. Det.
Camp Chaffee, Ark.
U. S. Army.
