

# OFFICE MEMORANDUM

Mr. Carter

Date \_\_\_\_\_

Glad the Judge liked it. Had a wire from Silliman from San Antonio saying that Ferguson and Ma, Holcomb, the campaign manager; and \_\_\_\_\_ Department Sandeford, the governor's secretary, thanked him for his report and that it was the only "fair" report of any Texas paper, Yet I have had one letter and one statement that the report was not fair and bordered on prejudice and bias. All of which shows that you can't satisfy 'em all; leastwise not on a ~~XXXX~~ newspaper. JMN
