

THE VICE PRESIDENT'S CHAMBER

WASHINGTON

Uvalde, Texas.
October 11, 1934.

Honorable Amon G. Carter,
Fort Worth Star Telegram,
Fort Worth, Texas.

Dear Amon:

Your letter of October 8th, with enclosures, is received.

I am always glad to have the items of information you send to me. I read and consider them with interest. As you know, I haven't the ability, I might say, of writing long letters - that gift was left out of my make-up so I am usually brief and nothing of interest happens in this little village to pass on to my friends, therefore I doubly appreciate your articles and newsy letters.

I never know just what my movements will be, but I know of nothing that is going to take me away from this vicinity in November and if you, Silliman and your friends go down into Mexico, I certainly shall be happy to have you stop by and see us.

Mrs. Garner joins me in warm personal regards.

Sincerely your friend,

JNC/erg
