Dear Amon:

I have just sent you my regrets that I will be unable to attend the unveiling of the Will Rogers Equestrian Monument in Fort Worth on November 4th.

I wish very much that I could be there, and that I could also accept your invitation to luncheon at Shady Oak Farm. I was very much interested to see that the Monument is by Electra Waggoner. This, I think, makes it all the more interesting. If you ever have a cut or a photograph of the Monument that you can send me I would like very much to have one.

With kind personal regards and all good wishes.

Yours very sincerely,

Frank
