## WELCOME TO THE NEW EX-STUDENTS

At the close of the exercises tonight, you will officially be a graduate of Texas Christian University—one of the ranks of 32,000 ex-students. However, you have not severed all ties with your alma mater. You have simply stepped forward into a new relationship with our T. C. U. "family" as a member of the TCU Ex-Students Association. The purpose of this organization is to serve TCU and to provide opportunity for continued friendship and a closer relationship among TCU alumni and ex-students.

This is done through special events such as Homecoming, through active alumni chapters over the nation, and the bi-monthly alumni magazine. The only thing necessary for your *active* membership is filling out and returning the biographical information form which you received a few days ago in the mail. You are welcome to our ranks. Won't you join us as together we serve our school?
