Mrs. Weldon Jones,
Shreveport, La.

Dear Mrs. Jones:

Will Rogers' itinerary covers Austin, San Angelo, San Antonio, Houston, Waco, Dallas, Fort Worth, Abilene, Wichita Falls, Brockenridge and Mineral Wells which makes eleven towns and he has only one week to devote to Texas. After finishing Texas, Mr. Rogers will have a similar program in Oklahoma and the week following he will go to Arkansas and I will suggest to him that he try and work Shreveport in in connection with his Arkansas program and urge him to include your city if possible.

Yours very truly,
