Mr. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

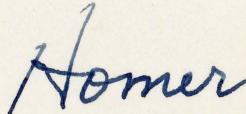

No one has done as much, or will ever do as much, for Fort Worth as you have done. Only you have the vision, the generosity, and the desire to do things for your city as only you can do them.

The entire Citizenship commends you, congratulates you, and thanks you for the great occasion that you sponsored and put over so successful Tuesday.

It will serve as an inspiration to thousands of people, as well as to perpetuate in the minds of our people, one of the greatest Americans that ever lived.

With sentiments of esteem and admiration, I am

Sincerely yours,

Homer
