Dear Amon:

Time sure flies - it doesn't seem like seven years ago that you gave me your handsome cooperation of bringing your Texas and California delegations to the Democratic National Convention to the Hotel Sherman here in Chicago.

There are a lot of IFS connected with this letter, but I do hope that it isn't too early to remind you that if, as and when Chicago may be selected I do hope you will remember that Hotel Sherman is now a far superior hotel to what it was at that time. The new rooms and suites are second to none in the entire country.

And of course, now as then, the House on the Roof will be available to you for whatever disposition you care to make of it. Will you keep me in mind, and give me the opportunity to work with you on your plans, at the proper time?

In the meantime - very best personal regards.

Very cordially yours,
