

O. M. MOSIER

December 19, 1950

Dear Amon:

We come now to the holiday season, and I want to express my sincere appreciation in having the privilege of working with you another year. Our joint efforts have produced an excellent result, and if the international problems could be resolved with the same directness and cooperation, we could look forward to continued success.

Francys joins me in wishing for you and yours the happiest holiday season and every good thing for the coming year.

Sincerely,

"Red"

Mr. Amon G. Carter
