CONFERENCE OF THE MAJORITY

May 12, 1945.

Mr. Amon Carter,
Shady Oak Farm,
Fort Worth, Texas.

Dear Amon:

Upon returning from Europe I find your letter of April 11 with reference to the paper shell pecans you sent me, and which I have received.

Let me thank you for this courtesy and assure you that I will greatly enjoy them.

I enjoyed seeing you in Paris and I congratulate you upon the safe liberation of your son. I know it must have been a great day when you and some of his friends met him in Paris.

With kindest regards, I am,

Sincerely yours,

Alben W. Barkley
