October 7, 1948

We will call the first thing in the morning those who are expected to return in the morning and those we could not reach today, and will telephone that information to your office.

We have arranged for busses for the transportation needs for the visiting party, including the trip to Shady Oaks and return. If there is anything else we can do, please advise.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "William Holden", with a stylized, cursive script.

William Holden
