PIONEER PACEMASTERS

Step aboard Pioneer's superb new Pacemaster—you'll enter quickly via the convenient integral passenger steps. You'll save baggage counter waits—Pioneer travelers can *now* carry their own luggage aboard.

Once aloft, relax in any of 36 big, comfortable reclining Pacemaster seats and watch the world slip by at a 270-mile per hour clip, 100 miles per hour faster than the reliable DC-3—and *see* it through extra-large, non-fogging windows that give unsurpassed air to ground vision from either seat.

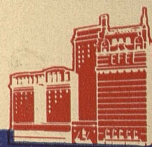

For your reading pleasure, use the soft individual reading light directly above your seat. Relax in "living room" comfort... in the draft-free, uniform flow of temperature-controlled air. Everything aboard the Pacemaster is there for your greater convenience and comfort!
