

Any member of the faculty desiring information in regard to "U.C. Europe Tours" or "Temple Tours" may find valuable data of interest by consulting S.W. Hutton.

Copy for the 1936-37 Catalog is coming in every day. Thanks for the fine cooperation on the part of the faculty.

Some members of the faculty report promptly on the Eligibility Report called for every three weeks at the request of our Athletic Department. Kindly make it unnecessary for us to phone or send one of the girls to gather the reports. Every member of the faculty should send in this report. Even if you have none of these students in your classes, please report. Mark the sheet "None" and sign your name.

Any suggestions concerning items that should be included in the "Booklet Introducing T.C.U." for 1936-37 will be received from teachers with appreciation. This is the leaflet used to make first contacts with prospective pupils.
