Mrs. A. S. Martin,
Sterling, Texas.

Dear Mrs. Martin:

Your letter of the 10th, together with American Express Company order for \$1.00 for the Will Rogers Memorial fund received, for which please accept my sincere thanks. We are trying to close up this campaign and raise \$100,000 in Texas. Although I have my doubts as to whether we reach our goal or not, Fort Worth has raised something like \$40,000.00 to which will be added your contribution.

Yours very truly,
