Send the following message, subject to the terms on back hereof, which are hereby agreed to

Fort Worth, Texas,
December 5, 1925.

Please permit me at this late date to express to you my appreciation for your timely wire of encouragement in connection with my little controversy with the Governors. Meanwhile you have probably read my answer declining to resign which was prompted by my real interest in the Tech College and the fact that my conscience is clear in every way in connection with the entire controversy. I have never resigned from anything under fire and I am quite willing to place my record of the entire matter before the citizenship of Texas. Meanwhile I appreciate your wire very much.

Amon G. Carter.
