

November 24, 1942.

Mr. C. W. Meadows,  
Meadows Company,  
San Angelo, Texas.

Dear Mr. Meadows:

Your letter of November 20 has been received during Mr. Carter's absence from the city; in fact, I passed your former letter along to Mr. North with the thought that he would give you a letter of recommendation in behalf of your appointment as Special United States Park Commissioner for the Big Bend National Park.

Mr. Carter has not returned from London and has given no indication as to when we may expect him. Naturally you know he would be delighted to endorse you for this appointment and I am sure he will gladly do so as soon as he returns, however no one knows when that might be, so I trust you appreciate the circumstances.

If it would be of any help to you, you might give Mr. Carter as reference and if an inquiry is received in his absence, I shall be glad to acknowledge it in his behalf in your favor.

With best wishes, I am

Yours very truly,

Secretary to Mr. Carter.
