My dear Mr. Carter:

This is to tell you the Will Rogers equestrian statue arrived two days ago and was brought to the Memorial yesterday. My husband will weather proof the box until it is time to uncrate it.

We are leaving the 3rd of January for a trip to California. We will try to arrange to drive by Fort Worth so that we can see the statue you gave the city as it will give us such a good idea of this one.

We are all so happy about it and cannot tell you what it will mean to the Memorial.

When we return my husband can consult with you about the building of the base and other details that will have to be worked out. I wanted you to know that it was here.

With all good wishes for the New Year from Bob and me, I am

Very truly yours,

*Paula M. Love*
