Apr. 29, 1943

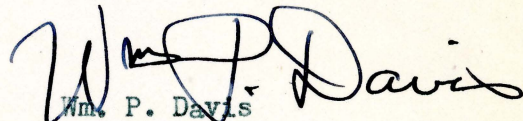

Mr. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

Enclosed is a clipping from the Ennis Daily News of April 27, which you may not have seen.

I have every hope that both your boy and the other two young officers, both friends of mine, are being treated fairly and will be returned to us after victory.

Yours very truly

Wm. P. Davis
USAAF
