Miss K. Deakins,
Secretary to Mr. Amon G. Carter,
Fort Worth, Texas.

My dear Miss Deakins,

Mr. Winthrop W. Aldrich has asked me to acknowledge for him the receipt of the special edition of the Fort Worth Star-Telegram which was issued in connection with the formal opening of the Consolidated Aircraft Corporation's new bomber plant in Fort Worth.

Mr. Aldrich will go over this paper with a great deal of interest and appreciates Mr. Carter's having it sent to him.

Very truly yours,

Secretary to Mr. Aldrich
