Dear Mr. Record, Many thanks for the swell pictures of Stamford which I received a few days ago. We have a daily bulletin here in camp, and are always needing pictures to illustrate things happening at home, although we don't hear about it until weeks later. I could certainly use some 5 x 7 or smaller photos of the following: train wrecks, auto accidents, some of Dillard's old football & boxing shots, fires, good-looking gals, and anything else that would be interesting to 1200 officers. My best regards to you & Mrs. Record and everyone on the paper. I should be home next Xmas. Sincerely, Amon Jr.

Card received from Amon Junior in Oflag 64 on February 13, 1945.
