Mr. Amon G. Carter,
Ft. Worth Star-Telegram,
Ft. Worth, Texas

Dear Mr. Carter:

Mrs. Felix Terzia, of this city, just called me. Her nephew, Lt. William Haynes, who is in Oflag 64 with our sons, wrote his mother on December 13th that they were getting along all right, and that he had been talking to my son.

I didn't see the letter, but his mother wrote Mrs. Terzia that this letter had come in such a short time it was almost unbelievable.

I felt sure you would be interested in having this information.

Yours truly,

(R. C. White)
