Mr. Amon G. Carter,
Publisher,
The Star-Telegram,
Fort Worth, Texas.

Dear Mr. Carter:

It was with genuine regret that I read of the War Department's notification that Amon, Jr. is missing in action. I have been on assignments with him and know him to be a fine lad. From figures released on that period in which Amon, Jr. is missing, I should say that your hopes should not falter. Regardless of our current airport differences, which seem small when these things come along, I want you to know that I earnestly hope for Amon's safety and well-being. He is a gentleman.

Sincerely,

Felix R. McKnight
