Fort Worth, Texas

Dear Mr. Carter:

I appreciated the clippings you sent me concerning your son, and I was so glad to read in the paper a day or so ago that he had been reported a prisoner.

I know how you felt when you received that news - while it isn't pleasant at all to think of their being prisoners, it does give us some hope that we shall see them again some day.

I sincerely hope that your son shall be returned to you and SOON.

Sincerely yours,

*Morris E. Day*
